WE'RE RECRUITING!

Children and Young People's Worker

Help children, young people and families discover faith, grow in confidence and feel part of a church community

Welcome to Linlithgow and Avon Valley

Linlithgow and Avon Valley is a large Parish of the Church of Scotland, primarily serving West Lothian but also a portion of Falkirk.

It has worshipping sites in five places: Avonbridge, Torphichen, St Ninian's Craigmailen, St Michael's, and Springfield Primary School – the latter three all being within Linlithgow.

The Parish has four to five hundred active members and currently works with approximately 50 children and their families, not including uniformed organisations or parent and toddler groups.

We are firmly committed to our children and young people and want to do everything we can to develop their faith in Christ and support them emotionally and practically as they grow.
